

# Workshop on Current Ethical & Regulatory Requirements For Clinical Trials / Research

ESIC Medical College & Hospital, Faridabad

August 08 - 09, 2017

## OBJECTIVE

To strengthen and empower the Institutional Ethics Committee (IEC) members to ensure that they understand scientific, regulatory norms, ethical design, conduct and reporting of clinical research that will be of uniform nature and meets national and international quality standards.

## EXPECTED OUTCOME

At the end of the program, the participants will be aware about the current guidelines and regulations for the conduct of clinical trials or research in India so that they can ensure that the right, safety and well-being of human participants involved in research are well protected.

## TARGET PARTICIPANTS

Members from Ethics Committees will be given priority. Investigators and clinical trial or research team members are encouraged to apply.
